INSTALLATION INSTRUCTIONS

Step 1. Follow the procedure "Turning Off Gas To Unit", located on the Lighting Instructions pullout labels in the control compartment of the unit and in the Installation Instructions provided with the appliance.

Step 2. Refer to the appliance Care and Operations/Installation Instructions and gain access to and remove the front glass enclosure panel.

Step 3. Carefully remove the log set from the firebox.

Step 4. Insert the rear panel into firebox and position against the rear wall of the firebox (*Figure 2 - Step 1*).

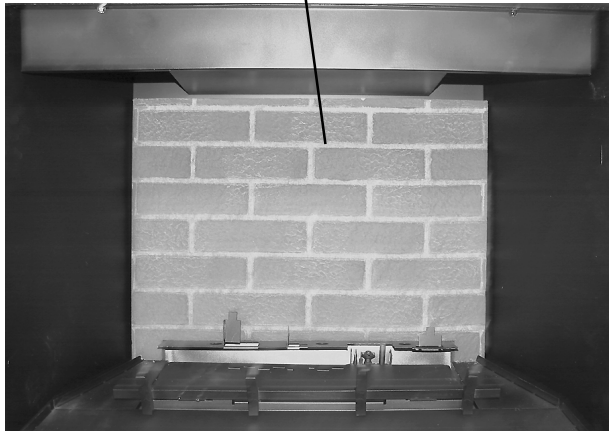

Step 5. Carefully slide the left side panel into firebox between the left side firebox wall and the front lintel (*Figure 2 - Step 2*).

Step 6. Repeat Step 5 for the right side panel (*Figure 2 - Step 3*).

Step 7. Carefully replace the log set. Refer to the Care and Operations Instructions and the detailed Log Set Placement Supplement, included with the appliance.
